

## Priorities

Clearly labeling what elements matter most to you (as a couple) will help determine the allocation of resources. Print two copies of this list, both you and your groom should fill this out separately (no peeking). Then compare notes and see what adjustments need to be made.

Rank in order of importance, 1 being most important, 2 next important, etc...

- Bridal Gown & Accessories
- Cake/Desserts/Pastries
- Ceremony Location
- Cuisine
- Flowers/Décor
- Lighting/Candles
- Linens
- Music
- Month/Day
- Number of Guests
